Summary:

Completed an undergraduate degree in civil engineering from Nepal's reputed university, and being a registered engineer, I have over 3.5 years of work experience in the construction field. Eager to pick up new skills and knowledge that would assist in my future endeavors and professional growth.

Experience:

Sakshan Engineering Solutions Pvt. Ltd., Baneshwor, Kathmandu, Nepal. (June 1, 2024, to Present)

Responsible for:

- ✓ Carrying out structural analysis and design of earthquake-resistant buildings.
- ✓ Preparing property valuation documents.

Tundi Construction Pvt. Ltd., Shantibasti, Sanepa-3, Ring Road, Lalitpur, Nepal.

1. Construction of Federal Parliament Building Complex, Singha Durbar, Kathmandu. (June 11, 2023, to August 12, 2023)

Responsible for:

- ✓ Supervising and monitoring site works to maintain the construction quality.

Bajra Guru Construction Company Pvt. Ltd., Kupondole, Lalitpur, Nepal.

1. Upgrading of Bharatpur-Madi Thori Hulaki Sadak (Postal Highway), Debendrapur dekhi-Bagai Bus Park Section, Chitwan. (Sep 19, 2021, to April 25, 2023)

Responsible for:

- ✓ Preparing bills, and all other necessary documents.
- ✓ Supervising and monitoring all site works to ensure quality and proper use of materials.

2. DBST works with earthwork excavation, retaining structure, and line drain works along Ram Mandir Okherbote Road. (Jan 11, 2020, to Sep 17, 2021)

Responsible for:

- ✓ Preparing bills, insurance claims, variation orders, and all other necessary documents.
- ✓ Supervising and monitoring all site works to ensure the right materials and methods are used during construction. Also, establishing, maintaining and implementing all quality standards.

Academic projects:

1. Carried out a 6-month project on "Design of RCC Bridge over Andheri Khola, Nawalparasi", as a final year project during my bachelor's degree.
2. Carried out a 10-day "SURVEY CAMP" at Kritipur, TU as a part of the undergraduate program.

Education:

Thapathali Campus, IOE, T.U, Kathmandu, Nepal, Bachelor in Civil Engineering. (2015-2019)
Graduated with first division (73.2%).

Padmodaya Public Model H.S School, Ghorahi-11 Bharatpur, Dang, Science, Grade 11 and 12. (2013-2015)
Graduated with distinction (79.0%).

Padmodaya Public Model H.S School, Ghorahi-11 Bharatpur, Dang, S.L.C. (2012-2013)
Graduated with distinction (83.0%).

Skills:

Computer skills: Microsoft Office (Excel, Word, and PowerPoint), AUTOCAD, SAP2000, CSI Bridge, SW Road, ETABS, RCDC, SAFE, SketchUp, Python Programming Language (Intermediate), HTML/CSS (Beginner).

Personal skills: Leadership, Strong communication, Critical thinking.
